Voluntary Self-Identification of Veteran Status

As a recipient of federal contract funding, VCU is required to take affirmative action to employ and advance in employment: (1) disabled veterans; (2) recently separated veterans; (3) active duty wartime or campaign badge veterans; and (4) Armed Forces service medal veterans. The Voluntary Veteran Classification Survey will be used to assess VCU's overall equal employment opportunities and will be kept confidential.

Employees are encouraged to complete this survey regardless of veteran status. The survey can be completed and updated at any time during employment at VCU. The survey form provides the current definitions of the veteran categories to help employees determine their status.

To complete the one question survey, log into myVCU at my.vcu.edu.

- 1) After logging into myVCU with your eID and password, click the "eServices/VCU Self Service" link in the "Resources" widget at the top right of the page.

- 2) Once in eServices, click the "Personal Information" tab. It is the first tab at the top left of the page.
